St. Francis: A Short Biography by Kathleen M. Carroll ISBN 1616365218

*St. Francis: A Short Biography* presents a portrait of the world's most-loved saint as a person who read the Gospels and incorporated them into his life and times, who held convictions that caused him distress, who changed the world through his focus on the challenges of living the Gospel. His work still resonates today, hundreds of years later, with both Christians and non-Christians alike. It presents Francis as a man who lived among men and through it became a saint, rather than a saintly man distanced from others. This 64-page popular introduction moves away from the view of the saint associated with bird baths to focus on the spirit of Franciscanism, the life of St. Francis, and his role for us today.
