When We Were Animals by Joshua Gaylord ISBN 0316297933

A small, quiet Midwestern town, which is unremarkable save for one fact: when the teenagers reach a certain age, they run wild.

When Lumen Fowler looks back on her childhood, she wouldn't have guessed she would become a kind suburban wife, a devoted mother. In fact, she never thought she would escape her small and peculiar hometown. *When We Were Animals* is Lumen's confessional: as a well-behaved and over-achieving teenager, she fell beneath the sway of her community's darkest, strangest secret. For one year, beginning at puberty, every resident "breaches" during the full moon. On these nights, adolescents run wild, destroying everything in their path.

Lumen resists. Promising her father she will never breach, she investigates the mystery of her community's traditions and the stories erased from the town record. But the more we learn about

the town's past, the more we realize that Lumen's memories are harboring secrets of their own.

A gothic coming-of-age tale for modern times, *When We Were Animals* is a dark, provocative journey into the American heartland.
