Your 2-in-1 Self-Paced Training Kit

EXAM PREP GUIDE

Ace your preparation for the skills measured by CompTIA Network+ Exam N10-005. Work at your own pace through a series of lessons and reviews that fully cover each exam objective. Then, reinforce what you've learned by applying your knowledge to real-world case scenarios and practice exercises. This guide is designed to help make the most of your study time.

Maximize your performance on the exam by mastering these objectives:

- Network Concepts
- Network Installation and Configuration
- Network Media and Topologies
- Network Management
- Network Security

PRACTICE TESTS

Assess your skills with practice tests on CD. You can work through hundreds of questions using multiple testing modes to meet your specific learning needs. You get detailed explanations for right and wrong answers—including a customized learning path that describes how and where to focus your studies.

For customers who purchase an ebook version of this title, instructions for downloading the CD files can be found in the ebook.
