The Enemies of Versailles: A Novel (The Mistresses of Versailles Trilogy) by Sally Christie ISBN 1501103024

In the final installment of Sally Christie's "tantalizing" (*New York Daily News*) Mistresses of Versailles trilogy, Jeanne Becu, a woman of astounding beauty but humble birth, works her way from the grimy back streets of Paris to the palace of Versailles, where the aging King Louis XV has become a jaded and bitter old philanderer. Jeanne bursts into his life and, as the Comtesse du Barry, quickly becomes his official mistress.

"That beastly bourgeois Pompadour was one thing; a common prostitute quite another kettle of fish."

After decades suffering the King's endless stream of Royal Favorites, the princesses of the Court have reached a breaking point. Horrified that he would bring the lowborn Comtesse du Barry into the hallowed halls of Versailles, Louis XV's daughters, led by the indomitable Madame Adelaide, vow eternal enmity and enlist the young dauphiness Marie Antoinette in their fight against the new mistress. But as tensions rise and the French Revolution draws closer, a prostitute in the palace soon becomes the least of the nobility's concerns.

Told in Christie's witty and engaging style, the final book in The Mistresses of Versailles trilogy will delight and entrance fans as it once again brings to life the sumptuous and cruel world of eighteenth century Versailles, and France as it approaches inevitable revolution.
