Santa Claus and the Three Bears by Maria Modugno ISBN 0061700231

Papa Bear, Mama Bear, and Baby Bear weren't expecting any company when they went for a walk on Christmas Eve, but that's exactly what they got! Debut author Maria Modugno teams up with award-winning artists Jane and Brooke Dyer to deliver a festive twist on *Goldilocks and the Three Bears*, with Santa Claus stepping in as the cheerful intruder.

Leaving their pudding to cool on the kitchen table, the unsuspecting bears head outdoors for a crisp evening walk. But when they return, they are shocked at what they find! Their pudding . . . eaten! Their chairs . . . broken! Their cozy beds . . . slept in! And it looks like the culprit is still there! Fast asleep in Baby Bear's bed is someone awfully familiar. A fluffy white beard, a red jacket covered in soot, and two black boots sticking out from under the covers. Could it *really* be . . . ?

With sparkling prose and splendid watercolor paintings, this delicious holiday treat glows with

warmth and humor that will delight readers page after page.
