Eddie: The Life and Times of America's Preeminent Bad Boy by Ken Osmond, Christopher J. Lynch ISBN 0990727300

Eddie Haskell was the bad kid who never went away. When child actor Ken Osmond stepped onto the set of *Leave it to Beaver* in 1957, he not only entered our living rooms, he homesteaded a permanent place in the American pop culture. The poster child for sneaky, rotten kids everywhere, he was the reference point for cautious mothers to warn their children about. And everyone in America knew an Eddie Haskell at some point in his or her lives. The amazing phenomenon of Ken Osmond's character is still going strong, over half a century after the show's cancellation. Even today, the name Eddie Haskell remains firmly entrenched in the American lexicon. Political foes from both sides of the ideological spectrum love to accuse their opponents of, "acting like Eddie Haskell," and when Kobi Bryant argues a referee's call, tweets go out labeling him as an "Eddie

Haskell." Psychology Today Magazine has published articles about recognizing and treating "Eddie Haskell Syndrome" and Matt Groening created Bart Simpson as his own version of "the son of Eddie Haskell." Now it's time to meet Ken Osmond, the man behind America's preeminent bad boy. A man who, as co-star Jerry Mathers said, "Was the best actor on the program, because he was so diametrically opposed to the character he played." A devoted husband, father and patriot, he's a man who's been forever shadowed by Eddie Haskell, but whose own life, was even more amazing than the character he portrayed.

## **Eddie: The Life and Times of America's Preeminent Bad Boy Review**

This Eddie: The Life and Times of America's Preeminent Bad Boy book is not really ordinary book, you have it then the world is in your hands.
