Bloodbrothers: A Novel by Richard Price ISBN 0312428693

Eighteen-year-old Stony De Coco has to make a choice: either join his father in the tightly knit world of New York's construction unions or take off and find his own path. But Stony's family is not about to make that choice easy. As he tries to protect his little brother, Albert, from their dangerously unbalanced mother, and to postpone the difficult adult responsibilities that await him, he finds hope in a job working with children at a hospital--a job that promises not to make anyone happy but Stony.

Richard Price's *Bloodbrothers* is a soulful and often profane story of working-class life in the Bronx, and one young man's bruising initiation into adulthood.

Bloodbrothers: A Novel Review

This Bloodbrothers: A Novel book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
