Arcane Awakening (Saints of Wura Book 2) by J.T. Williams ISBN B00TUB3X4A  
~Revised 2nd Edition~

Sviska and his companions flee the destruction of the last refuge of magic in the land. Thrust upon the northern seas, the four chosen Saints of Wura know little of their path ahead but the Galhedriss Arcana, the sacred book of magic, is safe from the grasp of The Order... at least for now.

In a world long against magic, they meet a half-elf that knows of their secrets and offers help against those that hunt them. But an old evil has awakened. The Order of men has gained a new ally, a mysterious man of fog and shadows, commanding powers not seen since the time of the

gods.

Sviska must work to unite those against the Order and this new evil before division destroys each of them. But he has not escaped from his dark past and his betrayal has a steep price.
