African Journal of Reproductive Health: Vol.18, No.3 September 2014 by ISBN 1627345205

African Journal of Reproductive Health (AJRH) is a multidisciplinary and international journal published quarterly (March, June, September, and December) by the Women's Health and Action Research Centre (a Non-governmental Organization with headquarters in Nigeria). The publication of the journal started in 1997. As of September 2014, 57 editions have been published. The journal focuses on publishing original research, comprehensive review articles, short reports and commentaries on reproductive health in Africa. It strives to provide a forum for both African and foreign authors working in Africa to share findings about all aspects of reproductive health and also to disseminate innovative, relevant, and useful information on reproductive health throughout the continent.
