Why Our Horses Are Barefoot: Everything We've Learned About the Health and Happiness of the Hoof (An eBook Nugget from The Soul of a Horse, Vol. 3) by Joe Camp ISBN 1930681410  
Another eBook Nugget from The Soul of a Horse From Joe Camp, best-selling author of The Soul of a Horse: "All of our horses came to us with shoes nailed to their feet. They lived in stalls, ate from bags, all the things everyone told us to do because that's the way it has always been done. Two things changed everything. First, on the very first day our first horse, my Cash, came to us I took him to the round pen and attempted a Monty Roberts Join-Up. When I felt his moist warm

breath on my ear, his nose on my shoulder tears came out of nowhere and streamed down my cheeks. I had spoken to him in his own language, and he had listened... and he had chosen to be with me. He had said, I trust you. From that moment I was no longer just a horse owner. I was a partner, a friend, a responsible leader and with that went the obligation and the desire to give him the very best life I could possibly give him. The problem was I didn't know what that was... so I immediately went about the business of finding out. "Come with us as we struggle through the information and mis-information to get to the truth about our horses' feet and ultimate health. What we discovered and what we did. And why."
