Hunting the Jackal: A Special Forces and CIA Ground Soldier's Fifty-Year Career Hunting America's Enemies by Billy Waugh, Tim Keown ISBN 0060564091

Billy Waugh is a Special Forces and CIA legend, and in *Hunting the Jackal* he allows unprecedented access to the shadowy but vital world he has inhabited for more than fifty years.

From deep inside the suffocating jungles of Southeast Asia to the fetid streets of Khartoum to the freezing high desert of Afghanistan, Waugh chronicles U.S. Special Operations through the extraordinary experiences of his singular life. He has worked in more than sixty countries, hiding in

the darkest shadows and most desolate corners to fight those who plot America's demise. Waugh made his mark in places few want to consider and fewer still would choose to inhabit. In remarkable detail he recounts his participation in some of the most important events in American Special Operations history, including his own pivotal role in the previously untold story of the CIA's involvement in the capture of the infamous Carlos the Jackal.

Waugh's work in helping the CIA bring down Carlos the Jackal provides a riveting and suspenseful account of the loneliness and adrenaline common to real-life espionage. He provides a point-by-point breakdown of the indefatigable work necessary to detain the world's first celebrity terrorist.

No synopsis can adequately describe Waugh's experiences. He spent seven and a half years in Vietnam, many of them behind enemy lines as part of SOG, a top secret group of elite commandos. He was tailed by Usama bin Laden's unfriendly bodyguards while jogging through the streets of Khartoum, Sudan, at 3 A.M. And, at the age of seventy-two, he marched through the frozen high plains of Afghanistan as one of a select number of CIA operatives who hit the ground as part of Operation Enduring Freedom.

Waugh came face-to-face with bin Laden in Khartoum in 1991 and again in 1992 as one of the first CIA operatives assigned to watch the al Qaeda leader. Waugh describes his daily surveillance routine with clear-eyed precision. Without fanfare, fear, or chance of detection, he could have killed the 9/11 mastermind on the dirty streets of Khartoum had he been given the authority to do so.

No man is more qualified to chronicle America's fight against its enemies -- from communism to terrorism -- over the past half-century. In *Hunting the Jackal*, Billy Waugh has emerged from the shadows and folds of history to write a memoir of an extraordinary life for extraordinary times.

## **Hunting the Jackal: A Special Forces and CIA Ground Soldier's Fifty-Year Career Hunting America's Enemies Review**

This Hunting the Jackal: A Special Forces and CIA Ground Soldier's Fifty-Year Career Hunting America's Enemies book is not really ordinary book, you have it then the world is in your hands.
