The Seven Laws of Spiritual Success by Selwyn Hughes ISBN 0805440488

Having spent a lifetime in Christian ministry, Selwyn Hughes has discovered key elements in the Christian life that are more than just principles—they are laws. These laws operate much like the laws of nature. They are sure and can be trusted.

Selwyn came upon these laws after reflecting on his many years of experience not only as a minister of the gospel but more poignantly as a disciple of Jesus. These laws represent the irreducible minimum of the truth of the gospel. This book is the refined presentation taken from Selwyn's most powerful observations.
