Sometimes you just have to take flight. A summer in New Orleans is exactly what Allie needs before starting college. Accepting her dad's invitation to work at his hotel offers an escape from her ex-boyfriend and the chance to spend the summer with her best friend. Meeting a guy is the last thing on her mind-until she sees Levi. Unable to resist the infuriating yet alluring Levi, Allie finds herself at the center of a supernatural society and forced to decide between following the path she has always trusted or saving a city that might just save her.
