The Embers of Hope: A science-fiction thriller (Hibernation Series Book 2) by Nick Jones ISBN B00O7Z0KSG

After narrowly escaping the Shiryaevo Vault, Nathan O'Brien is on the run, adapting to life without Jennifer Logan. In his possession: a powerful mind control device known as the Histeridae and evidence of the Hibernation Program's true agenda.

Beginning with George Mohanty and his words 'Death is a relative term', he must unravel the mystery of the Histeridae. But Nathan is on borrowed time, trapped inside a body that was never supposed to last. Can he bring back the woman he loves and expose the truth before it's too late, or will the past finally catch up with him?

From the mountains of India to the futuristic streets of London and Dubai, The Embers of Hope is the thrilling second instalment in the Hibernation saga.

It features conspiracy theories, romance and intrigue and is set in a dystopian world, making it an ideal read for any fans of the sci-fi genre and also suitable for a young adult audience.
