Falling for You by Kathryn Quick ISBN B00AF70V8Y

Stephanie Martin, a single mom with a teenaged son, believes in hard work, not in fairy tales. So when she finds herself flat on her back on the ice at the local skating rink, she has no idea that it's her very own Prince Charming coming to her rescue.

Martin St. Claire, ex-hockey star dubbed "The prince of the NHL," cannot seem to convince Stephanie that he really wants to explore a relationship with her. Every time they are together, something seems to get in the way---a run in with his super model ex-girlfriend in a nightie, her fifteen-year-old's joyride in her old mustang, a romantic ice skating lesson witnessed by her son's teammates, and a date that seems more like a comedy of errors than a romantic evening.

It will take Stephanie's son's godmother, a lost shoe, and a Cinderella ending to convince

Stephanie that Marty means what he says when he tells her "I'm FALLING FOR YOU."

Falling for You Review

This Falling for You book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
