

# Discourse on the Sciences and the Arts and Discourse on the Origin and Foundations of Inequality Among Men PDF

Discourse on the Sciences and the Arts and Discourse on the Origin and Foundations of Inequality Among Men by JEAN JACQUES ROUSSEAU ISBN B00MH28EAC

Jean Jacques Rousseau's provocative Discourse on the Sciences and the Arts (1750) launched a vigorous assault on the most cherished beliefs of his age in a passionate indictment of civilized "progress," which, in Rousseau's eyes, has led to a debilitating corruption of human nature and morality. Four years later, Rousseau produced another such assault in the Discourse on the Origins and Foundations of Inequality Among Men. A landmark of political thought, this work argues that human beings are by nature free, happy, and independent, but that social institutions and human inventions have corrupted that condition and brought about all human misery.

Many of the details of Rousseau's account are open to dispute, but the revolutionary impact of the argument is beyond doubt: by insisting that our understanding of modern society must be placed on a historical footing, Rousseau invites us to see social injustice and evil as products of pernicious social institutions—not permanent features of an unsatisfactory or fallen condition. He offers no clear solution to the evils he diagnoses, but the implication of his argument is clear: society's most serious problems are caused, not by human nature, but by social institutions, especially property; if we wish to address these problems, we must change those institutions.

The unflagging passion, clarity, and rhetorical power of Rousseau's style have inspired many social reformers and revolutionaries. Even today, his words are still cited by those who wish to challenge just how free and happy our citizens are in a society that prides itself on economic freedoms and the pursuit of happiness.

## **Discourse on the Sciences and the Arts and Discourse on the Origin and Foundations of Inequality Among Men Review**

This Discourse on the Sciences and the Arts and Discourse on the Origin and Foundations of Inequality Among Men book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Discourse on the Sciences and the Arts and Discourse on the Origin and Foundations of Inequality Among Men without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Discourse on the Sciences and the Arts and Discourse on the Origin and Foundations of Inequality Among Men can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Discourse on the Sciences and the Arts and Discourse on the Origin and Foundations of Inequality Among Men having great arrangement in word and layout, so you will not really feel uninterested in reading.
