Cowboys are Forever: Book One: Forever Cowboys Series by Hope Whitley ISBN B00SKCGY8C  
A contemporary western romance for everyone who loves sexy cowboys.

Good news and bad news.

The bad news is that Marielle Stevens has been downsized right out of her job and ditched by her corporate climbing fiancé. The good news is that she has just inherited a sheep ranch in the mountains of Wyoming. It seems like perfect timing to Marielle, who feels that a change could only be for the better.

As for Trey Masterson, sexy rancher and Marielle's nearest neighbor in Wyoming, he'd prefer that

this beautiful redhead would forget about playing Little Bo Peep, accept his offer for her property and head back to the bright lights. But Marielle won't sell out. She won't back up or back down and Trey has to admire her spirit while he wonders if she might make him want to take a chance on love again.
