20,000 Leagues Under the Sea by Jules Verne ISBN B000FBFMUM

An American frigate, tracking down a ship-sinking monster, faces not a living creature but an incredible invention -- a fantastic submarine commanded by the mysterious Captain Nemo. Suddenly a devastating explosion leaves just three survivors, who find themselves prisoners inside Nemo's death ship on an underwater odyssey around the world from the pearl-laden waters of Ceylon to the icy dangers of the South Pole . . .as Captain Nemo, one of the greatest villians ever created, takes his revenge on all society.

More than a marvelously thrilling drama, this classic novel, written in 1870, foretells with uncanny accuracy the inventions and advanced technology of the twentieth century and has become a literary stepping-stone for generations of science fiction writers.
