The French Connections of Jacques Derrida by ISBN 0791441318

The French Connections of Jacques Derrida offers stimulating and accessible essays that address, for the first time, the issue of Derrida's relation to French poetics, writing, thought, and culture. In addition to offering considerations of Derrida through studies of such significant French authors as Mallarmé, Baudelaire, Valéry, Laporte, Ponge, Perec, Blanchot, and Barthes, the book also reassesses the development of Derrida's work in the context of structuralism, biology, and linguistics in the 1960s, and looks at the possible relationships between Derrida's writing and that of the Surrealist and Oulipa groups. Derrida is introduced as one whose work is as much poetic as it is philosophical, and who is strikingly French and yet not unproblematically so.

## **The French Connections of Jacques Derrida Review**

This The French Connections of Jacques Derrida book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of The French Connections of Jacques Derrida without we recognize teach the one who looking at it become critical in imagining and analyzing.
