Spring in Action by Craig Walls ISBN 1935182358

## Summary

Totally revised for Spring 3.0, this book is a hands-on guide to the Spring Framework. It covers the latest features, tools, and practices including Spring MVC, REST, Security, Web Flow, and more. Following short code snippets and an ongoing example developed throughout the book, you'll learn how to build simple and efficient J2EE applications.

## About the Technology

Spring Framework is required knowledge for Java developers, and Spring 3.0 introduces powerful new features like SpEL, the Spring Expression Language, new annotations for the IoC container, and much-needed support for REST. Whether you're just discovering Spring or you want to absorb

the new 3.0 features, there's no better way to master Spring than this book.

## About the Book

*Spring in Action, Third Edition* continues the practical, hands-on style of the previous bestselling editions. Author Craig Walls has a special knack for crisp and entertaining examples that zoom in on the features and techniques you really need. This edition highlights the most important aspects of Spring 3.0 including REST, remote services, messaging, Security, MVC, Web Flow, and more.

Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book.

## What's Inside

- Using annotations to reduce configuration
- Working with RESTful resources
- Spring Expression Language (SpEL)
- Security, Web Flow, and more

## Who Should Read This Book

Nearly 100,000 developers have used this book to learn Spring!

## Table of Contents

1. Springing into action
2. Wiring beans
3. Minimizing XML configuration in Spring
4. Aspect-oriented Spring PART 2 SPRING APPLICATION ESSENTIALS
5. Hitting the database
6. Managing transactions
7. Building web applications with Spring MVC
8. Working with Spring Web Flow
9. Securing Spring PART 3 INTEGRATING SPRING
10. Working with remote services
11. Giving Spring some REST
12. Messaging in Spring
13. Managing Spring beans with JMX
14. Odds and ends

## Spring in Action Review

This Spring in Action book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Spring in Action without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Spring in Action can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Spring in Action having great arrangement in word and layout, so you will not really feel uninterested in reading.
