Agincourt: Henry V and the Battle That Made England by Juliet Barker ISBN 0316015040

Waged almost six centuries ago, the Battle of Agincourt still captivates. It is the classic underdog story, and generations have wondered how the English--outmanned by the French six to one--could have succeeded so bravely and brilliantly. Drawing on a wide range of sources, Juliet Barker paints a gripping narrative of the October 1415 clash between the outnumbered English archers and the heavily armored French knights. Populated with chivalrous heroes, dastardly spies, and a ferocious and bold king, AGINCOURT is as earthshaking as its subject--and confirms Juliet Barker's status as both a historian and a storyteller of the first rank.
