Putin's Russia: Life in a Failing Democracy by Anna Politkovskaya ISBN 0805082506

A searing portrait of a country in disarray, and of the man at its helm, from "the bravest of journalists" (*The New York Times*)

Hailed as "a lone voice crying out in a moral wilderness" (*New Statesman*), Anna Politkovskaya made her name with her fearless reporting on the war in Chechnya. Now she turns her steely gaze on the multiple threats to Russian stability, among them President Putin himself.

Putin's Russia depicts a far-reaching state of decay. Politkovskaya describes an army in which soldiers die from malnutrition, parents must pay bribes to recover their dead sons' bodies, and conscripts are even hired out as slaves. She exposes rampant corruption in business, government,

and the judiciary, where everything from store permits to bus routes to court appointments is for sale. And she offers a scathing condemnation of the ongoing war in Chechnya, where kidnappings, extrajudicial killings, rape, and torture are begetting terrorism rather than fighting it.

Sounding an urgent alarm, *Putin's Russia* is both a gripping portrayal of a country in crisis and the testament of a great and intrepid reporter.

Putin's Russia: Life in a Failing Democracy Review

This Putin's Russia: Life in a Failing Democracy book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Putin's Russia: Life in a Failing Democracy without we recognize teach the one who looking at it become critical in imagining and analyzing.
