Handbook of denominations in the United States by Frank Spencer Mead ISBN 0687165717

This book describes more than 225 religious bodies in the United States -- their historical backgrounds, religious doctrines, and governmental organization; included are statistics on the number of churches and church members, and information about church-related schools and institutions. A glossary of terms, a general and denominational bibliography, an essay on religions in America in 1985, and an index add to the usefulness of this resource.
