Sacraments speak a language and disclose their power through symbols. Beyond 'representing' another reality, sacramental symbols are intimately connected with the reality they express and sources of joy, solace, confrontation, peace, healing, strength, and life-giving sustenance to the initiated.

In its *Constitution on the Sacred Liturgy*, the Council the Second Vatican Council (1962-1965) urged that sacramental symbols be more transparent to their sacred reality to disclose the reality of the Christ event —the life, death and resurrection of Jesus Christ—so that mystery, and not confusion, could flourish.

The seven sacraments – Baptism, Confirmation, Eucharist, Penance, Marriage, Orders and the Anointing of the Sick - reveal a link to social justice. The contributors to this book are theologians with pastoral sensitivities—including marrieds, parents, pastors and priests. This present work the social implications of worship, the history of each sacrament, and but also an integrated

understanding of the transformation that is inextricably linked to each sacrament, as well as the active presence of Christ who lives in expectation of our response to participate in the urgent response to unjust policies and systems that affect the most vulnerable in our global family.
