Renewing the Process of Creation by Rabbi Bradley Shavit Artson DHL ISBN 1580238335

In this daring blend of Jewish theology, science and Process Thought, theologian Rabbi Bradley Shavit Artson explores Judaism and the sciences as dynamically interactive and mutually informative. He shows how integrating human knowing with human living can help us arrive at a plausible and likely account of what we can know about the beginning and unfolding of the cosmos. He offers new ways to find fresh insights in the cultural and spiritual resources of the Jewish tradition Torah, midrash, philosophy and new possibilities for human wholeness.
