Pennsylvania 5 is a short story, ~20,000 words (about 70 pages), and is the fifth and final book in the five-star-rated Pennsylvania series.

This is the exciting conclusion to this bestselling series. Everything I could say would be a spoiler. The complete Omnibus edition will be out in April or early May, so you might want to wait and get the whole series under one cover. But if you've been following along... cool stuff happens in this exciting conclusion to the first series! ;)
