Boomers Rock Again: Feel Younger & Enjoy Life More by Sanford Holst ISBN 098332798X

This intriguing exploration goes inside the full Baby Boomer experience from the rise of rock and roll in the 1950s, to our own 1960s and 1970s, right up to today. Many Boomers are active in society today, and others are waking up and joining them in rediscovering some of the younger attitude and love of life they felt in those earlier days. That is giving Boomers a much better feeling about where they are now and the things they can do. See it all unfold on this easy and enjoyable journey through those early years and recent years as well. It is brought to life in rich detail by 66 pictures, and is an eye-opening experience you will remember for a long time.
