Language of the Night: Essays on Fantasy and Science Fiction by Ursula K. Le Guin ISBN 0704342022

Ursula K Le Guin is one of the foremost contemporary science fiction and fantasy writers. The "Language of the Night" is her first and now updated collection of essays and speeches. In this book, Le Guin reflects on her own work as well as that of other writers, past and contemporary. The collection also includes her famous reply to the feminist critics of "The Left Hand of Darkness," 'Is Gender Necessary?', and her thoughts on the debate ten years on. As well as offering an invaluable insight into the debates and concerns of fantasy and science fiction writing, this collection offers the general reader a stimulating introduction to the wider questions of politics, aesthetics, and literature.
