The Other Side of the Sky: A Memoir by Farah Ahmed ISBN 141691837X

Farah Ahmed's "poignant tale of survival" (*Chicago Tribune*) chronicles her journey from war to peace. Equal parts tragedy and hope, determination and daring, Ahmed's memoir delivers a remarkably vivid portrait of her girlhood in Kabul, where the sound of gunfire and the sight of falling bombs shaped her life and stole her family. She herself narrowly escapes death when she steps on a land mine. Eventually the war forces her to flee, first over the mountains to refugee camps across the border, and finally to America. Ahmed proves that even in the direst circumstances, not only can the human heart endure, it can thrive. *The Other Side of the Sky* is "a remarkable journey" (*Chicago Sun-Times*), and Farah Ahmed inspires us all.

The Other Side of the Sky: A Memoir Review

This The Other Side of the Sky: A Memoir book is not really ordinary book, you have it then the world is in your hands.
