Death in California: The Bizarre, Freakish and Just Curious Ways People Die in the Golden State by David Kulczyk ISBN 1884995578

With details about grim and grisly fatalities, this history of California's arcane deaths encompasses the murders and accidents that at one time shocked the West Coast. The stories of hangings, gun accidents, suicides, crashes, and overdoses of both the famous and obscure offer a bizarre and lighthearted, if sometimes perverse, glimpse into the Golden State's strange past. From the tragic tale of 14 tourists swept to their deaths over Vernal Fall in pastoral Yosemite National Park and the gritty details of Bob "Bear" Hite overdosing on heroin in a seedy Hollywood nightclub to the shocking chronicle of a 10-ton jet crashing into a Bay Area kitchen, this zany collection is

delightfully weird and enthrallingly human.
