Teaching American Indian Students by ISBN 0806126744

Teaching American Indian Students is the most comprehensive resource book available for educators of American Indians. The promise of this book is that Indian students can improve their academic performance through educational approaches that do not force students to choose between the culture of their home and the culture of their school. This multidisciplinary volume summarizes the latest research on Indian education, provides practical suggestions for teachers, and offers a vast selection of resources available to teachers of Indian students.

Included are chapters on bilingual and multicultural education; the history of U.S. Indian education; teacher-parent relationships; language and literacy development, with particular discussion of English as a second language and American Indian literature; and teaching in the content areas of social science, science, mathematics, and physical education.
