John Brown: His Fight for Freedom by John Hendrix ISBN 0810937980

Published on the 150th anniversary of John Brown's raid on Harpers Ferry, this biography explores the life of one of American history's most controversial figures. A great deal of academic study has been published recently about John Brown. This is the first book for young readers to include these new attitudes and research.

In the late 1850s, at a time when many men and women spoke out against slavery, few had the same impact as John Brown, the infamous white abolitionist who backed his beliefs with unstoppable action. His dedication to freeing the American slaves made him one of the most recognizable leaders in the liberation movement to end slavery.

Told through engaging, thoughtful narration and bold, dynamic illustrations, *John Brown: His Fight for Freedom* is a fitting reminder that all men and women are created equal, and that some things

are worth fighting for. The book includes an author's note, a bibliography, and an index.

F&P level: U
