Mortals and Immortals by Jean-Pierre Vernant ISBN 0691019312

Jean-Pierre Vernant has profoundly transformed our perceptions of ancient Greece. Published in 1991, this collection of nineteen essays probes deeply into themes of enduring interest--death, the body, the soul, the individual, and relations between mortals and immortals; the mask, the mirror, the image, and the imagination; the self and the other, and, more broadly, the concept of otherness itself, or "alterity."
