Olympic, Titanic, Britannic: An Illustrated History of the Olympic Class Ships by Mark Chirnside
ISBN 0750956232

A pictorial celebration of the world-famous sister ships: the Olympic-class liners

A maritime expert tells the story of the sister ships using previously unseen pictures, passenger diaries, and deck plans, illustrating *Olympic's* successful career; the premature ends of her two unfortunate sisters; and the experiences of those onboard. Designed for passenger comfort, they were intended to provide luxurious surroundings and safe, reliable transport rather than record-breaking speed. Ironically, fate decreed that only *Olympic* would ever complete a single commercial voyage and she went on to serve for a quarter of a century in peace and war. *Titanic's* name would become infamous after she sank on her maiden voyage. The third sister, *Britannic*, saw a brief and commendable career as a hospital ship during World War I, sinking in the Aegean Sea in 1916.

Olympic, Titanic, Britannic: An Illustrated History of the Olympic Class Ships Review

This Olympic, Titanic, Britannic: An Illustrated History of the Olympic Class Ships book is not really ordinary book, you have it then the world is in your hands.
