Watchers

From a top secret government laboratory come two genetically altered life forms. One is a magnificent dog of astonishing intelligence. The other, a hybrid monster of a brutally violent nature. And both are on the loose.... Bestselling author Dean Koontz presents his most terrifying, dramatic and moving novel: The explosive story of a man and a woman, caught in a relentless storm of mankind's darkest creation....

Midnight

In picturesque Moonlight Cove, California, inexplicable deaths occur and spine-tingling terror descends to this "edge of paradise." Growing numbers of residents harbor a secret so dark it is sure to cost even more lives. Tessa Lockland comes to town to probe her sister's seemingly unprompted suicide. Independent and clever, she meets up with Sam Booker, an undercover FBI agent sent to Moonlight Cove to discover the truth behind the mysterious deaths. They meet Harry Talbot, a wheelchair-bound veteran, who has seen things from his window that he was not meant to see. Together they begin to understand the depth of evil in Moonlight Cove. Chrissie Foster, a resourceful eleven-year-old, running from her parents who have suddenly changed and in whom darkness dwells, joins them. Together they make a stand against darkness and terror.
