Contemporary scholars have begun to explore non-normative sexual orientation, gender identity, and gender expression in a growing victimization literature, but very little research is focused on LGBTQ communities' patterns of offending (beyond sex work) and their experiences with police, the courts, and correctional institutions. This Handbook, the first of its kind in Criminology and Criminal Justice, will break new ground by presenting a thorough treatment of all of these under-explored issues in one interdisciplinary volume that features current empirical work.
