Love Don't Come Easy 2

Ezra's story

Ezra world turned upside down at ten years old when his father faked his death, and his mother in reaction found her way to drugs, spending years searching high and low for that first high. Ezra had to fend for himself on the streets in order to survive at the tender age of ten until he met Reece and KaLiya. Through them and the rest of the T.F.E he gained a family not of blood but of loyalty. Eight years later Ezra life is finally right and no longer is the weight of the world on his shoulders. Just when life seems to be going perfect, the one person who keeps him sane, KaLiya, life is on the line. No one knows whether or not KaLiya will wake up, not even her doctors. And not being able to be there for her like she was for him throughout the years is driving Ezra to the point of no return. Not only is he trying to stay strong for KaLiya, but he is trying to stay ahead of the unknown enemies after him and the T.F.E.

Will Ezra be able to stay ahead of their enemies, maintain a presence by KaLiya bedside, and carry the majority of the T.F.E. weight ALONE for a few weeks? Is CJ alive or dead? Who is the unknown enemies? And will they all be left standing when the smoke clears?
