Black-Jewish Relations on Trial: Leo Frank and Jim Conley in the New South by Jeffrey Melnick  
ISBN 157806287X

An analysis of the Leo Frank case as a measure of the complexities characterizing the relationship between African Americans and Jews in America

In 1915 Leo Frank, a Northern Jew, was lynched in Georgia. He had been convicted of the murder of Mary Phagan, a young white woman who worked in the Atlanta pencil factory managed by Frank. In a tumultuous trial in 1913 Frank's main accuser was Jim Conley, an African American employee in the factory. Was Frank guilty?

In our time a martyr's aura falls over Frank as a victim of religious and regional bigotry. The

unending controversy has inspired debates, movies, books, songs, and theatrical productions. Among the creative works focused on the case are a ballad by Fiddlin' John Carson, David Mamet's novel *The Old Religion* in 1997, and Alfred Uhry and Jason Robert Brown's musical *Parade* in 1998.

Indeed, the Frank case has become a touchstone in the history of black-Jewish cultural relations. However, for too long the trial has been oversimplified as the moment when Jews recognized their vulnerability in America and began to make common cause with African Americans.

This study has a different tale to tell. It casts off old political and cultural baggage in order to assess the cultural context of Frank's trial, and to examine the stress placed on the relationship of African Americans and Jews by it. The interpretation offered here is based on deep archival research, analyses of the court records, and study of various artistic creations inspired by the case. It suggests that the case should be understood as providing conclusive early evidence of the deep mutual distrust between African Americans and Jews, a distrust that has been skillfully and cynically manipulated by powerful white people.

*Black-Jewish Relations on Trial* is concerned less with what actually happened in the National Pencil Company factory than with how Frank's trial, conviction, and lynching have been used as an occasion to explore black-Jewish relations and the New South. Just as with the O. J. Simpson trial, the Frank trial requires that Americans make a profound examination of their essential beliefs about race, sexuality, and power.

## **Black-Jewish Relations on Trial: Leo Frank and Jim Conley in the New South Review**

This Black-Jewish Relations on Trial: Leo Frank and Jim Conley in the New South book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Black-Jewish Relations on Trial: Leo Frank and Jim Conley in the New South without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Black-Jewish Relations on Trial: Leo Frank and Jim Conley in the New South can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Black-Jewish Relations on Trial: Leo Frank and Jim Conley in the New South having great arrangement in word and layout, so you will not really feel uninterested in reading.
