

# Plant Identification Terminology: An Illustrated Glossary PDF

Plant Identification Terminology: An Illustrated Glossary by James G. Harris, Melinda Woolf Harris  
ISBN 096402215X

Plant taxonomy employs an extensive and complex terminology. The meaning of most botanical terms, however, is immediately apparent when an illustration is available. This is the purpose of this volume. This book provides over 1700 clear illustrations of terms used in plant identification keys and descriptions. It includes definitions for more than 2,400 taxonomic terms.
