What Happens When We Die: A Psychic's Exploration of Death, Heaven, and the Soul's Journey After Death by Echo Bodine ISBN 1608680355

With her signature wit and fearlessness, beloved psychic and healer Echo Bodine offers answers to life's biggest questions: Is there a heaven? Are there people who have been there and come back? Do we have souls? Can we communicate with deceased loved ones?

Based on Echo's personal experience of observing the souls of people nearing death and communicating with souls who have died, this comforting book shines light on the dying process and the afterlife. Her clear and fascinating stories demystify this universal experience and

demonstrate that death is nothing to fear. You'll learn about:

- * the stages the body goes through preceding death
- * the white light and the tunnel that lead to the other side
- * how to make sense of the death of children
- * what happens to those who commit suicide
- * the nature of heaven

Echo offers practical tools for being with dying loved ones (including what not to do), for grieving (through the poignant experience of her mother's passing as Echo was writing this book), and for cultivating clear communication with the deceased. Learning what happens when we die can be inspiring, reassuring, and profoundly life changing.
