Everyday Leadership: Attitudes and Actions for Respect and Success (A guidebook for teens) by Mariam G. MacGregor M.S. ISBN 1575422123

Written and experiential activities help teens discover their own leadership potential and develop skills that guide them to act responsibly and make a difference in the world around them. Teens gain a greater understanding of who they are, what matters to them, how that translates into leadership, and how leadership relates to everyday life. Written activities encourage reflection; "do something" activities call for commitment and action. Both enable teens to reach new levels of leadership. Created for use with *Building Everyday Leadership in All Teens*, this consumable guide also functions as a stand-alone resource for personal growth.
