### A most delicious challenge...

Experience has taught Emily Shaw that men are best avoided, so she's determined to take her place in society alone and unrestrained by marriage. Renting a room in the heart of London, she establishes a Women's League to promote equality between the sexes and teach women to be independent.

Jasper St David isn't looking for distractions, but he's fascinated by beautiful, fiercely opinionated Emily when she moves into the office above his. And when he learns of her determination never to

succumb to male charms, he can't help but see it as a challenge! After all, Jasper's always found nothing more tantalising than the thrill of the chase...
