Wildflower Hill by Kimberley Freeman ISBN 1451623496

Hailed by bestselling author Kate Morton as “a gorgeous story of family and secrets and the redemptive power of love,” *Wildflower Hill* is a compelling and romantic novel spanning three generations and half the world, from modern day London to Australia in the 1930s.

Emma is a prima ballerina in London and at a crossroads after an injured knee ruins her career. When she learns of her grandmother Beattie’s death, and her own strange inheritance—an isolated sheep station in rural Australia—Emma is certain she has been saddled with an irritating burden. But when she returns to Australia, forced to rest her body and confront her life, she realizes that she had been using fame as a substitute for love and fulfillment.

Beattie also found herself at a crossroads as a young woman, but she was pregnant and unwed. She eventually found success—but only after following an unconventional path that was often

dangerous and heartbreaking. Beattie knew the lessons she learned in life would be important to Emma one day, and she wanted to make sure Emma's heart remained open to love, no matter what life brought. She knew the magic of the Australian wilderness would show Emma the way.

Wildflower Hill is a compelling, atmospheric, and romantic novel about taking risks, starting again, and believing in yourself. It's about finding out what you really want and discovering that the answer might be not at all what you'd expect.

Wildflower Hill Review

This Wildflower Hill book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
