The City of the Sun by Tommaso Campanella ISBN B00KFDJYYK

The City of the Sun is a philosophical work by the Italian Dominican philosopher Tommaso Campanella. It is an important early utopian work. The work was written shortly after Campanella's imprisonment for heresy and sedition.

The book is presented as a dialogue between "a Grandmaster of the Knights Hospitaller and a Genoese Sea-Captain". Inspired by Plato's Republic and the description of Atlantis in Timaeus, it describes a theocratic society where goods, women and children are held in common. It also resembles the City of Adocentyn in the Picatrix, an Arabic grimoire of astrological magic. In the final part of the work, Campanella prophesies—in the veiled language of astrology—that the Spanish kings, in alliance with the Pope, are destined to be the instruments of a Divine Plan: the final victory of the True Faith and its diffusion in the whole world. While one could argue that Campanella was simply thinking of the conquest of the New World, it seems that this prophecy

should be interpreted in the light of a work written shortly before *The City of the Sun*, *The Monarchy in Spain*, in which Campanella exposes his vision of a unified, peaceful world governed by a theocratic monarchy.

## **The City of the Sun Review**

This The City of the Sun book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of The City of the Sun without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry The City of the Sun can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This The City of the Sun having great arrangement in word and layout, so you will not really feel uninterested in reading.
