The End: A Postapocalyptic Novel (The New World Series) by G. Michael Hopf ISBN 0142181498
What would you do to survive?

Young Gordon Van Zandt valued duty and loyalty to country above all, so after 9/11, he dropped out of college and joined the Marine Corps. This idealism vanished one fateful day in a war-torn city in Iraq. Ten years later, he is still struggling with the ghosts of his past when a new reality is thrust upon him and his family: North America, Europe and the Far East have all suffered a devastating Super-EMP attack, which causes catastrophic damage to the nation's power grid and essential infrastructures. Everything from cell phones to cars to computers cease to function, putting society at a standstill.

With civilization in chaos, Gordon must fight for the limited and fast dwindling resources. He knows

survival requires action and cooperation with his neighbors, but as the days wear on, so does all sense of civility within his community—and so he must make some of the most difficult decisions of his life in order to ensure his family's safety.

For readers of *Going Home* by A. American, *Lights Out* by David Crawford, *Lucifer's Hammer* by Jerry Pournelle and *One Second After* by William Forstchen.
