Guide to College Reading by Kathleen T. McWhorter ISBN 0673396657

Designed for use in the first reading course, Guide to College Reading focuses on the key areas of reading comprehension, vocabulary improvement, and textbook reading while addressing the learning characteristics, attitudes, and motivational levels of reading students. Guide to College Reading is intended to equip students with the skills they need to handle the diverse reading demands of college courses and guide them in becoming active learners and critical thinkers. The Seventh Edition offers students a new Contemporary Issues Mini-Reader, new tips in each chapter on taking reading tests, Internet activities for skill reinforcement, a revised and updated section on reading graphics, a new section on reading across the disciplines, and a new section on reading and evaluating electronic sources. The new edition uses a visually appealing four-color design, including interactive visual chapter openers.
