The Narrow Lutheran Middle (Impact Series Book 11) by Daniel M. Deutschlander ISBN B0066B1TFW

Many parts of Scripture seem incompatible or contradictory on the surface. How do Lutherans and other Bible-believing Christians resolve these areas? Is there a right or wrong way to interpret the Bible and its teachings? This book examines these questions and takes on controversial and confusing parts of God's Word. The author discusses topics like predestination, God's providence, and the place of reason in religion, in an effort to show that a proper understanding of these elements can help guide us on the road to God.
