Rebel Queen: A Novel by Michelle Moran ISBN B00LD1RWWO

From the internationally bestselling author of *Nefertiti* and *Cleopatra's Daughter* comes the breathtaking story of Queen Lakshmi—India's Joan of Arc—who against all odds defied the mighty British invasion to defend her beloved kingdom.

When the British Empire sets its sights on India in the mid-nineteenth century, it expects a quick and easy conquest. India is fractured and divided into kingdoms, each independent and wary of one another, seemingly no match for the might of the English. But when they arrive in the Kingdom of Jhansi, the British army is met with a surprising challenge.

Instead of surrendering, Queen Lakshmi raises two armies—one male and one female—and rides into battle, determined to protect her country and her people. Although her soldiers may not appear at first to be formidable against superior British weaponry and training, Lakshmi refuses to back

down from the empire determined to take away the land she loves.

Told from the unexpected perspective of Sita—Queen Lakshmi's most favored companion and most trusted soldier in the all-female army—*Rebel Queen* shines a light on a time and place rarely explored in historical fiction. In the tradition of her bestselling novel, *Nefertiti*, and through her strong, independent heroines fighting to make their way in a male dominated world, Michelle Moran brings nineteenth-century India to rich, vibrant life.

## Rebel Queen: A Novel Review

This Rebel Queen: A Novel book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Rebel Queen: A Novel without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Rebel Queen: A Novel can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Rebel Queen: A Novel having great arrangement in word and layout, so you will not really feel uninterested in reading.
