Cast aside by his former Master, student nurse Ryder Nicholson is lost. Without the steady influence of a Master his grades have tanked, putting him in imminent danger of being kicked out of school.

Coming off a failed relationship of his own, Doctor Brock Stone aims to protect his heart. To satisfy his body's needs, he suggests a temporary Master/slave arrangement to his handsome if wayward pupil.

Not content with Brock's emotionless business arrangement, Ryder sets out to prove he's the right slave to win Brock's battered heart. When his former Master returns demanding Ryder's obedience, who will own Ryder body and soul?
