Atlas of United States History with Map of Presidents with Charts by Hammond Inc, Hammond World Atlas Corporation ISBN 0843714492

This hardcover Atlas of United States History graphically shows the growth of the United States from its Native American inhabitants to the latest immigration and population figures. Designed to help users discover the geographic and political influences underlying America's history and growth, it contains updated maps of the recent world changes, maps of explorer's routes throughout history, and industrial development. It also includes information on issues such as conservation of natural resources, foreign aid, the U.S. in Latin America, foreign trade and tariffs. This atlas also features graphs and charts on each presidential election, flags of American history, foreign trade, the economy, and more to bring American history to life. Atlas comes bundled with a colorful, up-to-date American Presidents Smart Chart.
